

Casos de Éxito

2018 - 2020

dr.
contact
lens

USA

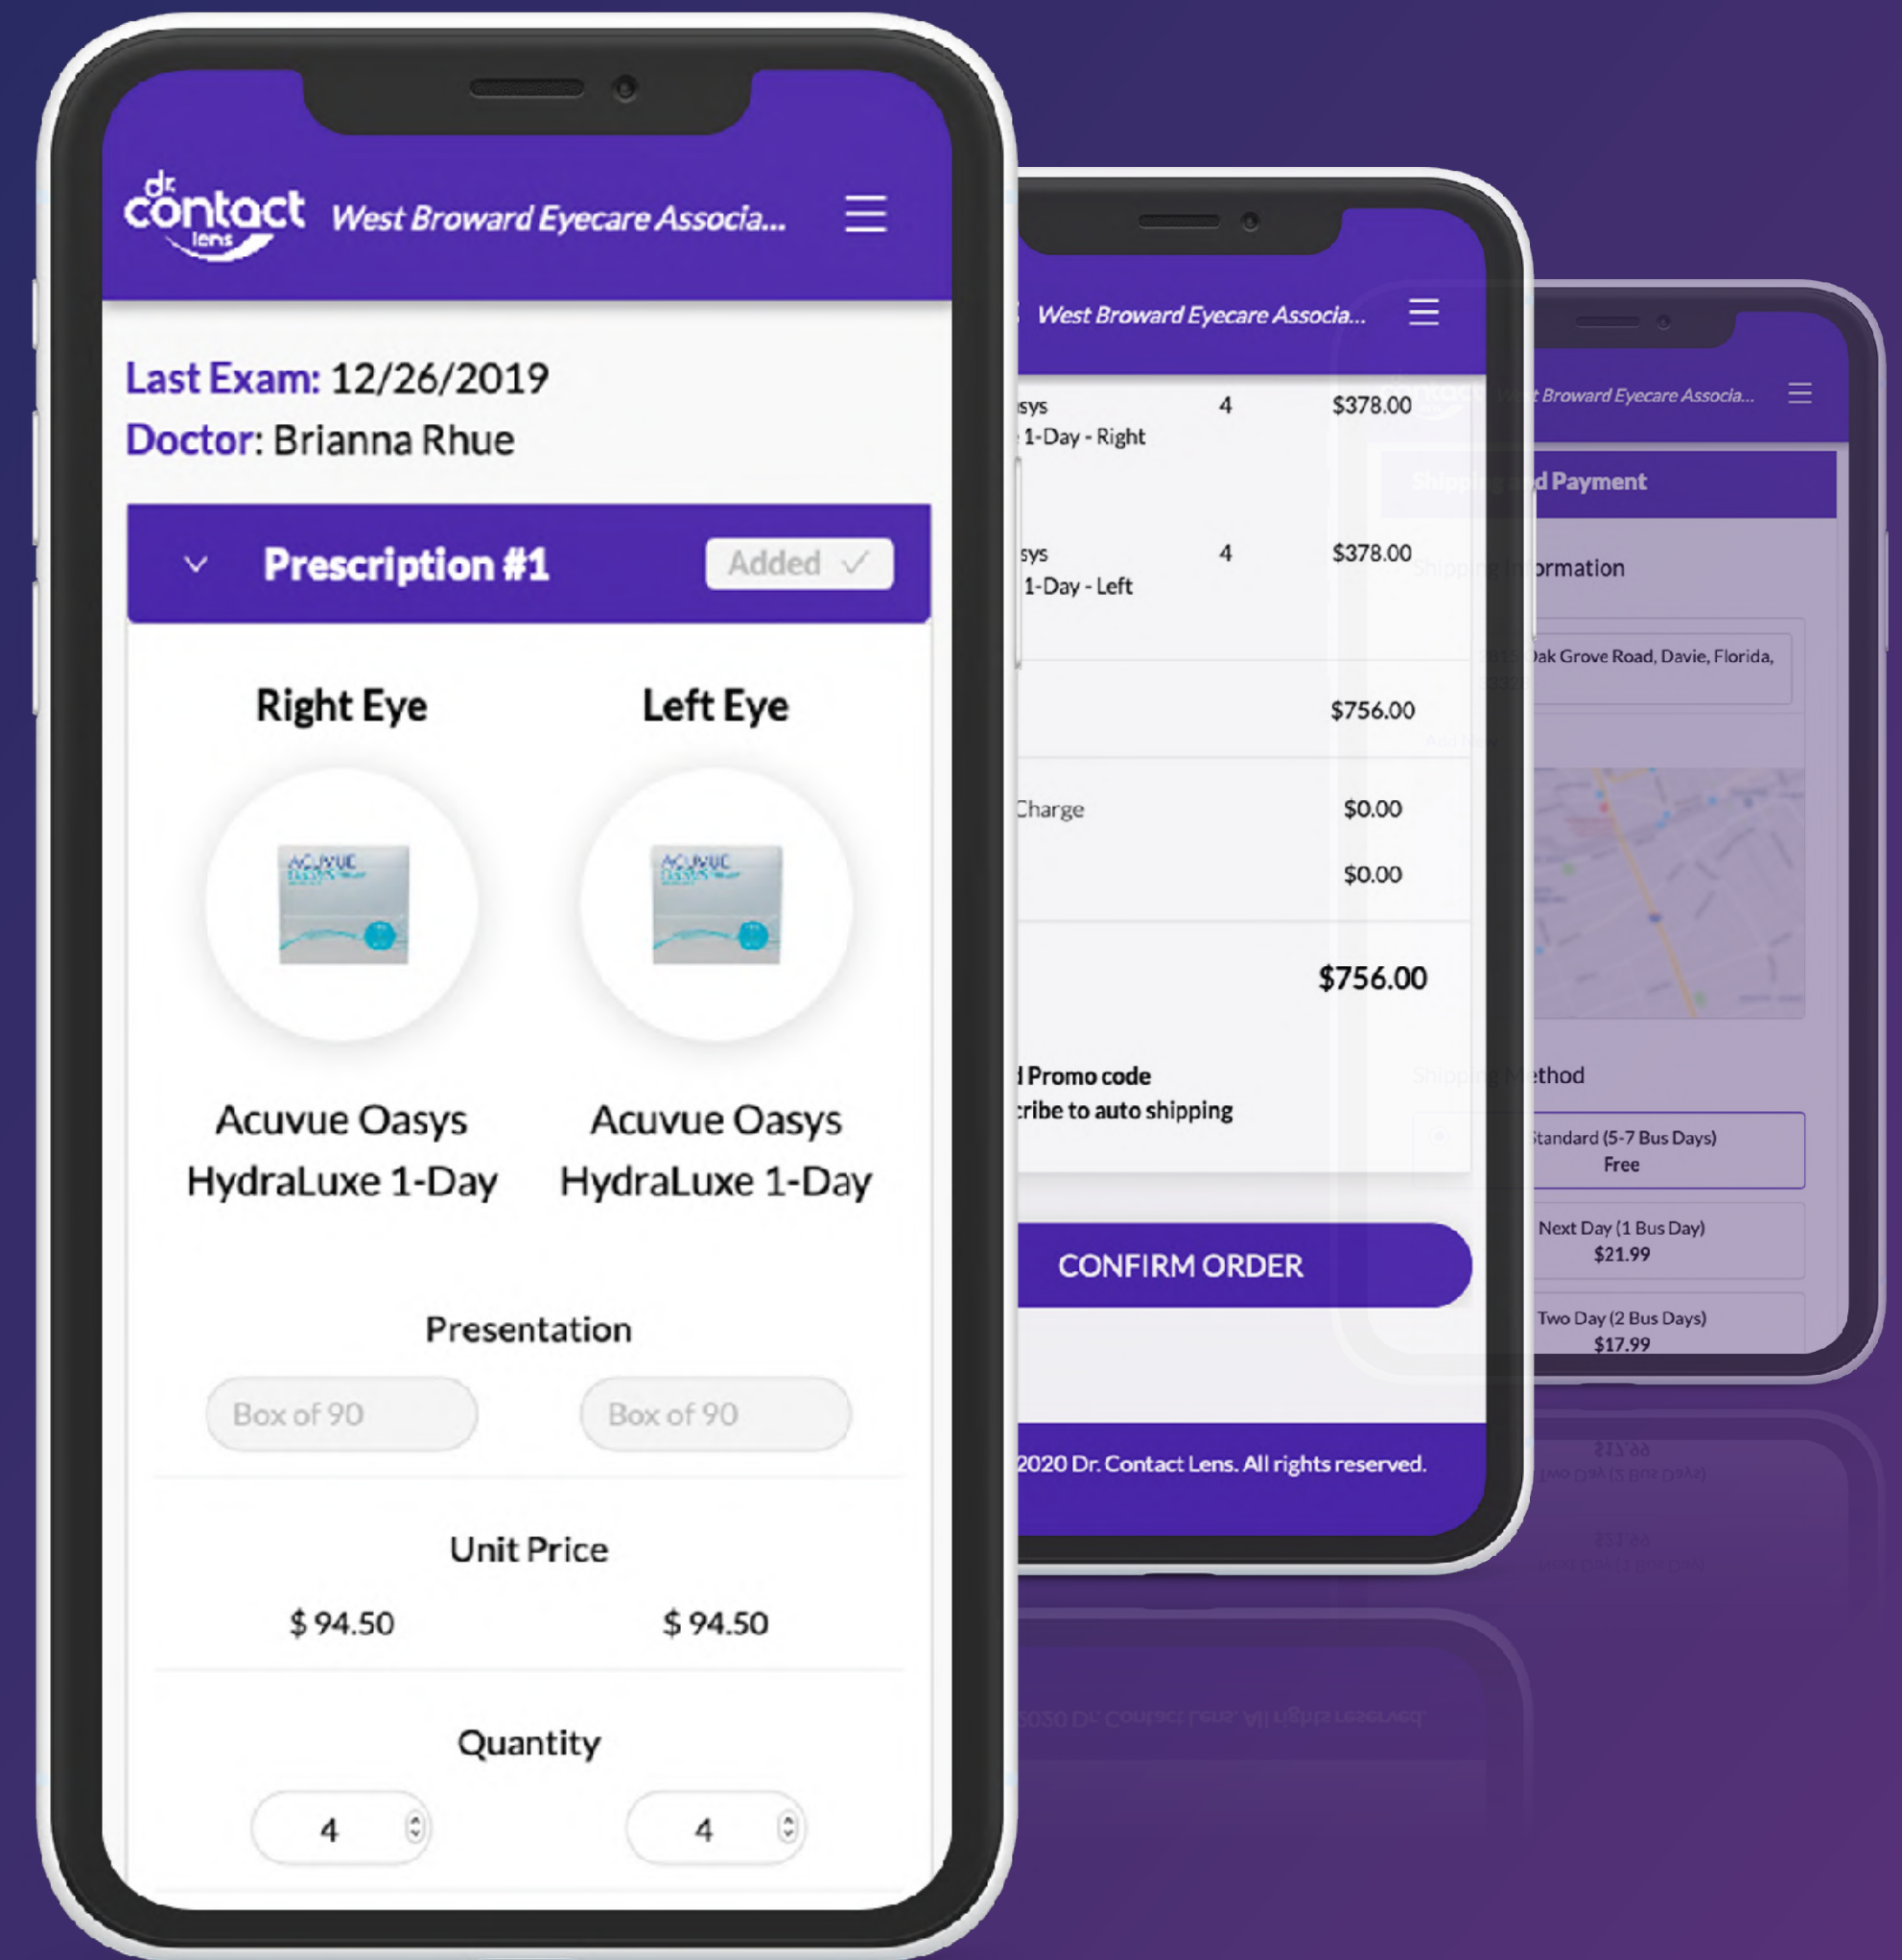

Una buena visión

La empresa facilita el encargo de lentes de contacto con la prescripción médica correspondiente y la coordinación de turno con el especialista, todo esto, totalmente digitalizado.

Objetivos

Crear completamente la plataforma y la arquitectura de la solución para que DCL se pueda integrar con diferentes proveedores y así facilitar la compra de lentes de contacto para los pacientes.

Transformarnos en su Dto. de TI logrando escalar rápidamente la solución y sus necesidades.

La solución

Creamos una API que posibilita que diferentes soluciones de registros Médicos puedan integrarse a DCL sincronizando su registro de recetas.

Construimos una arquitectura cloud que permite el procesamiento de miles de transacciones por minuto.

Los pacientes de diferentes especialistas son invitados y solo necesitan crear un password para poder enviar sus órdenes de compra con la correspondiente receta.

Integramos DCL con diferentes distribuidores de lentes de contacto haciendo que estos puedan ofrecer sus productos directamente al paciente con una notable mejora de precios.

Se logró plasmar un proceso continuo de implementación de mejoras en la plataforma, acelerando la velocidad de resolución desde el pedido de nuevas funcionalidades hasta el despliegue en producción.

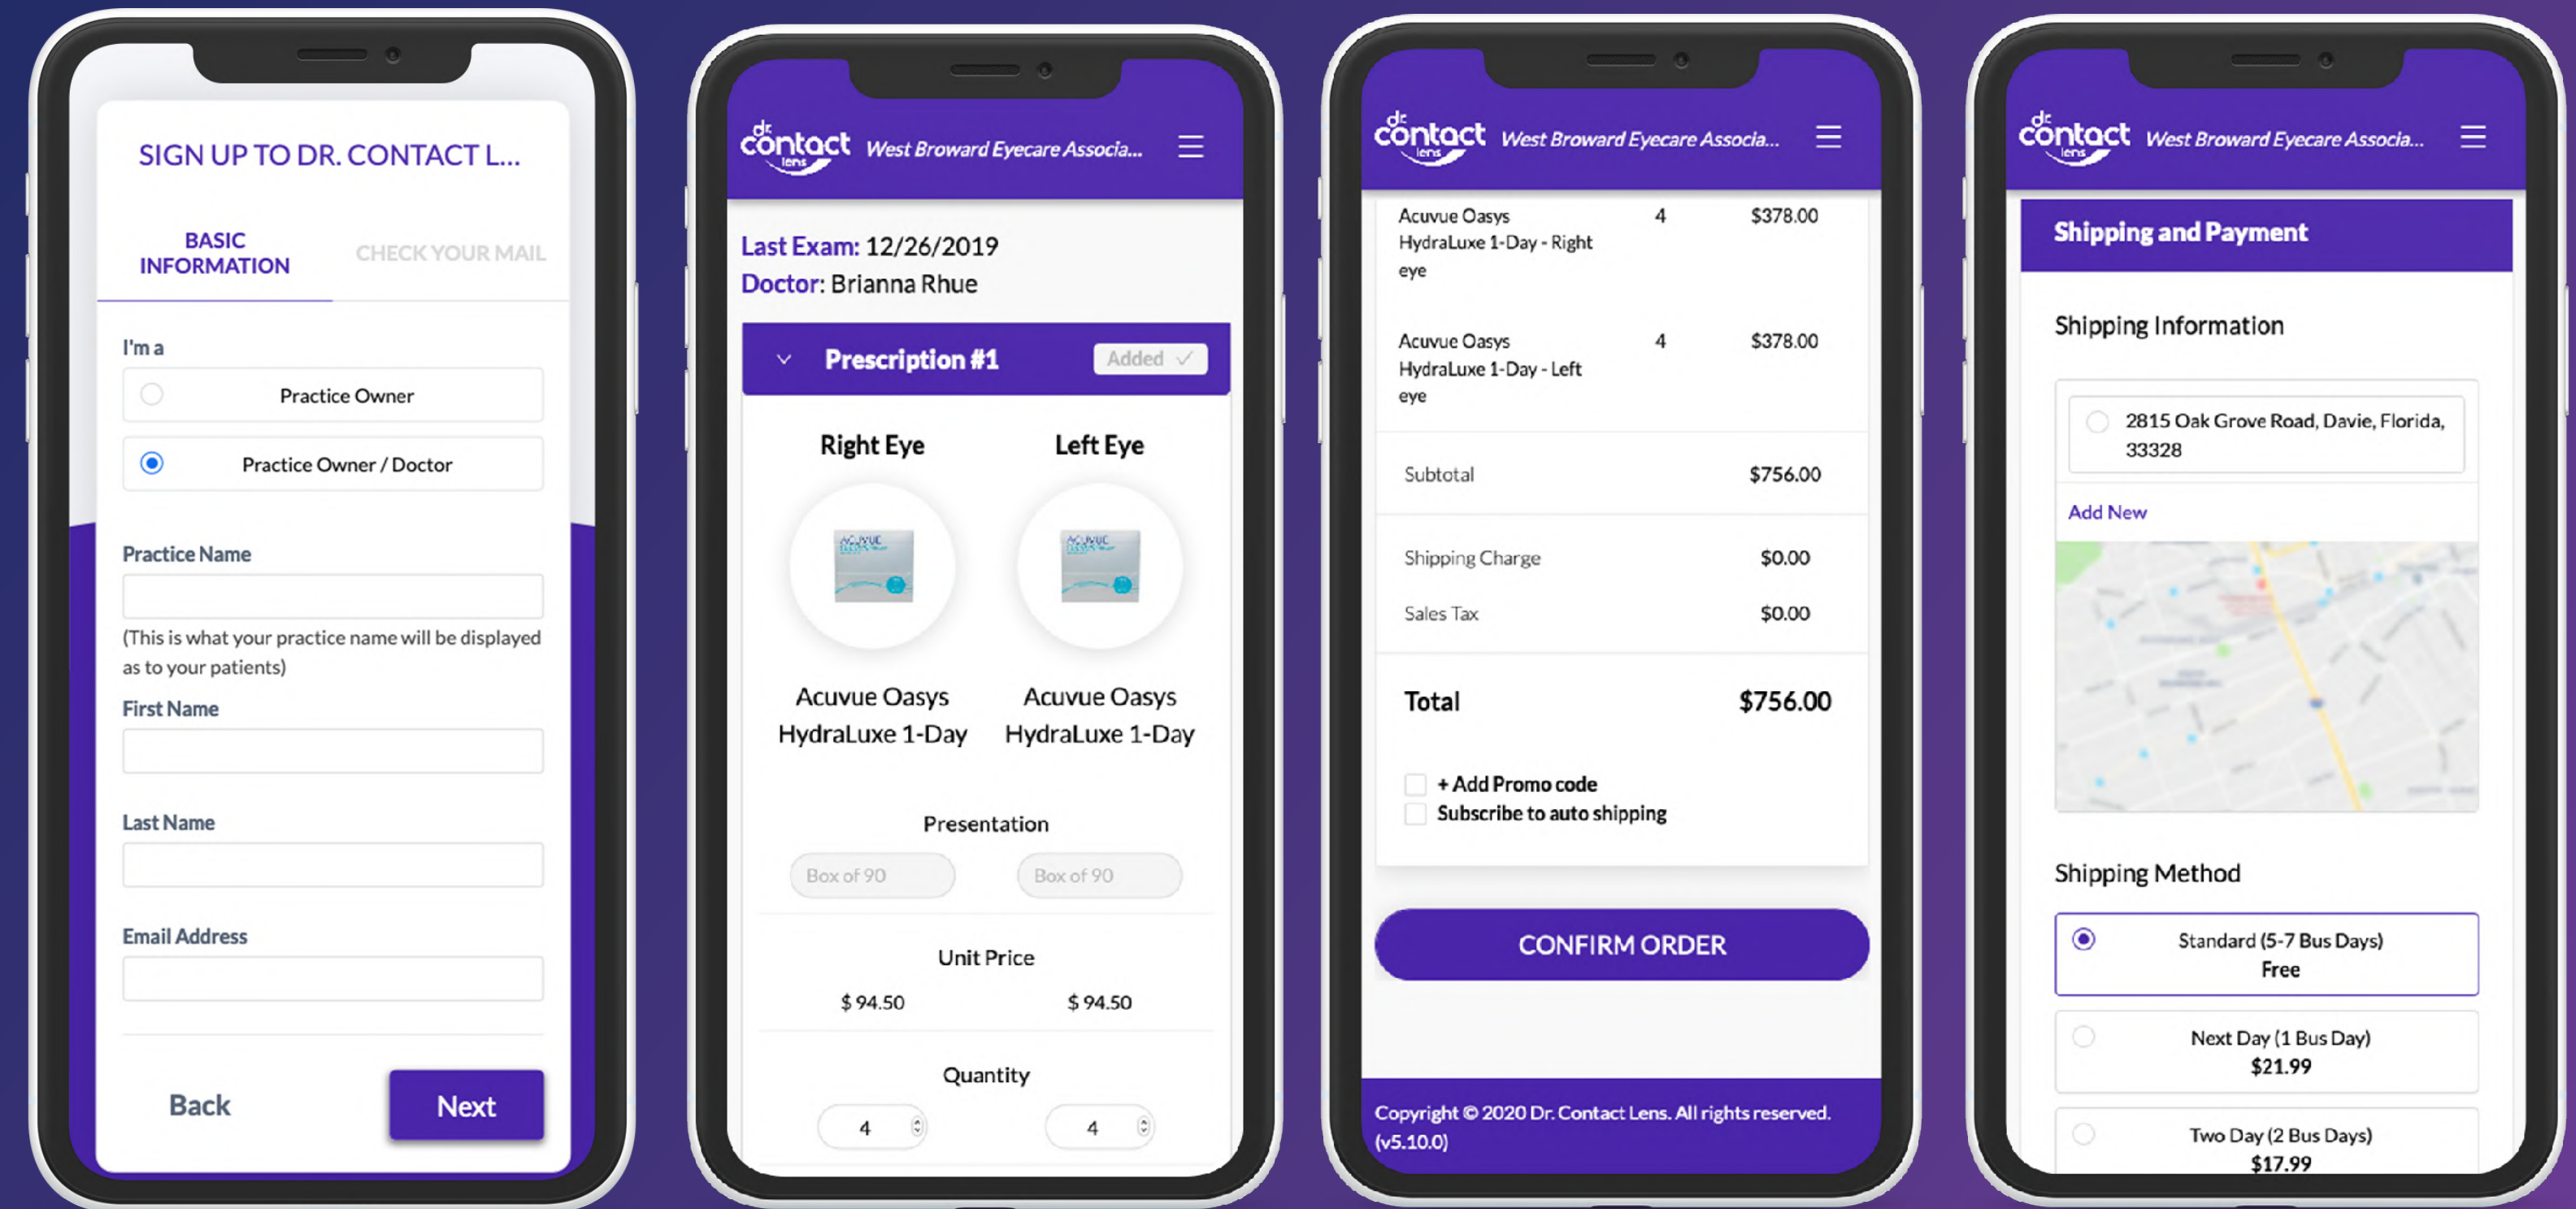

El resultado

Hemos ayudado a DCL a consolidar una plataforma funcional completa a través de iteraciones de trabajo muy ágiles que permiten gran capacidad de adaptación del negocio a circunstancias puntuales tales como el COVID-19

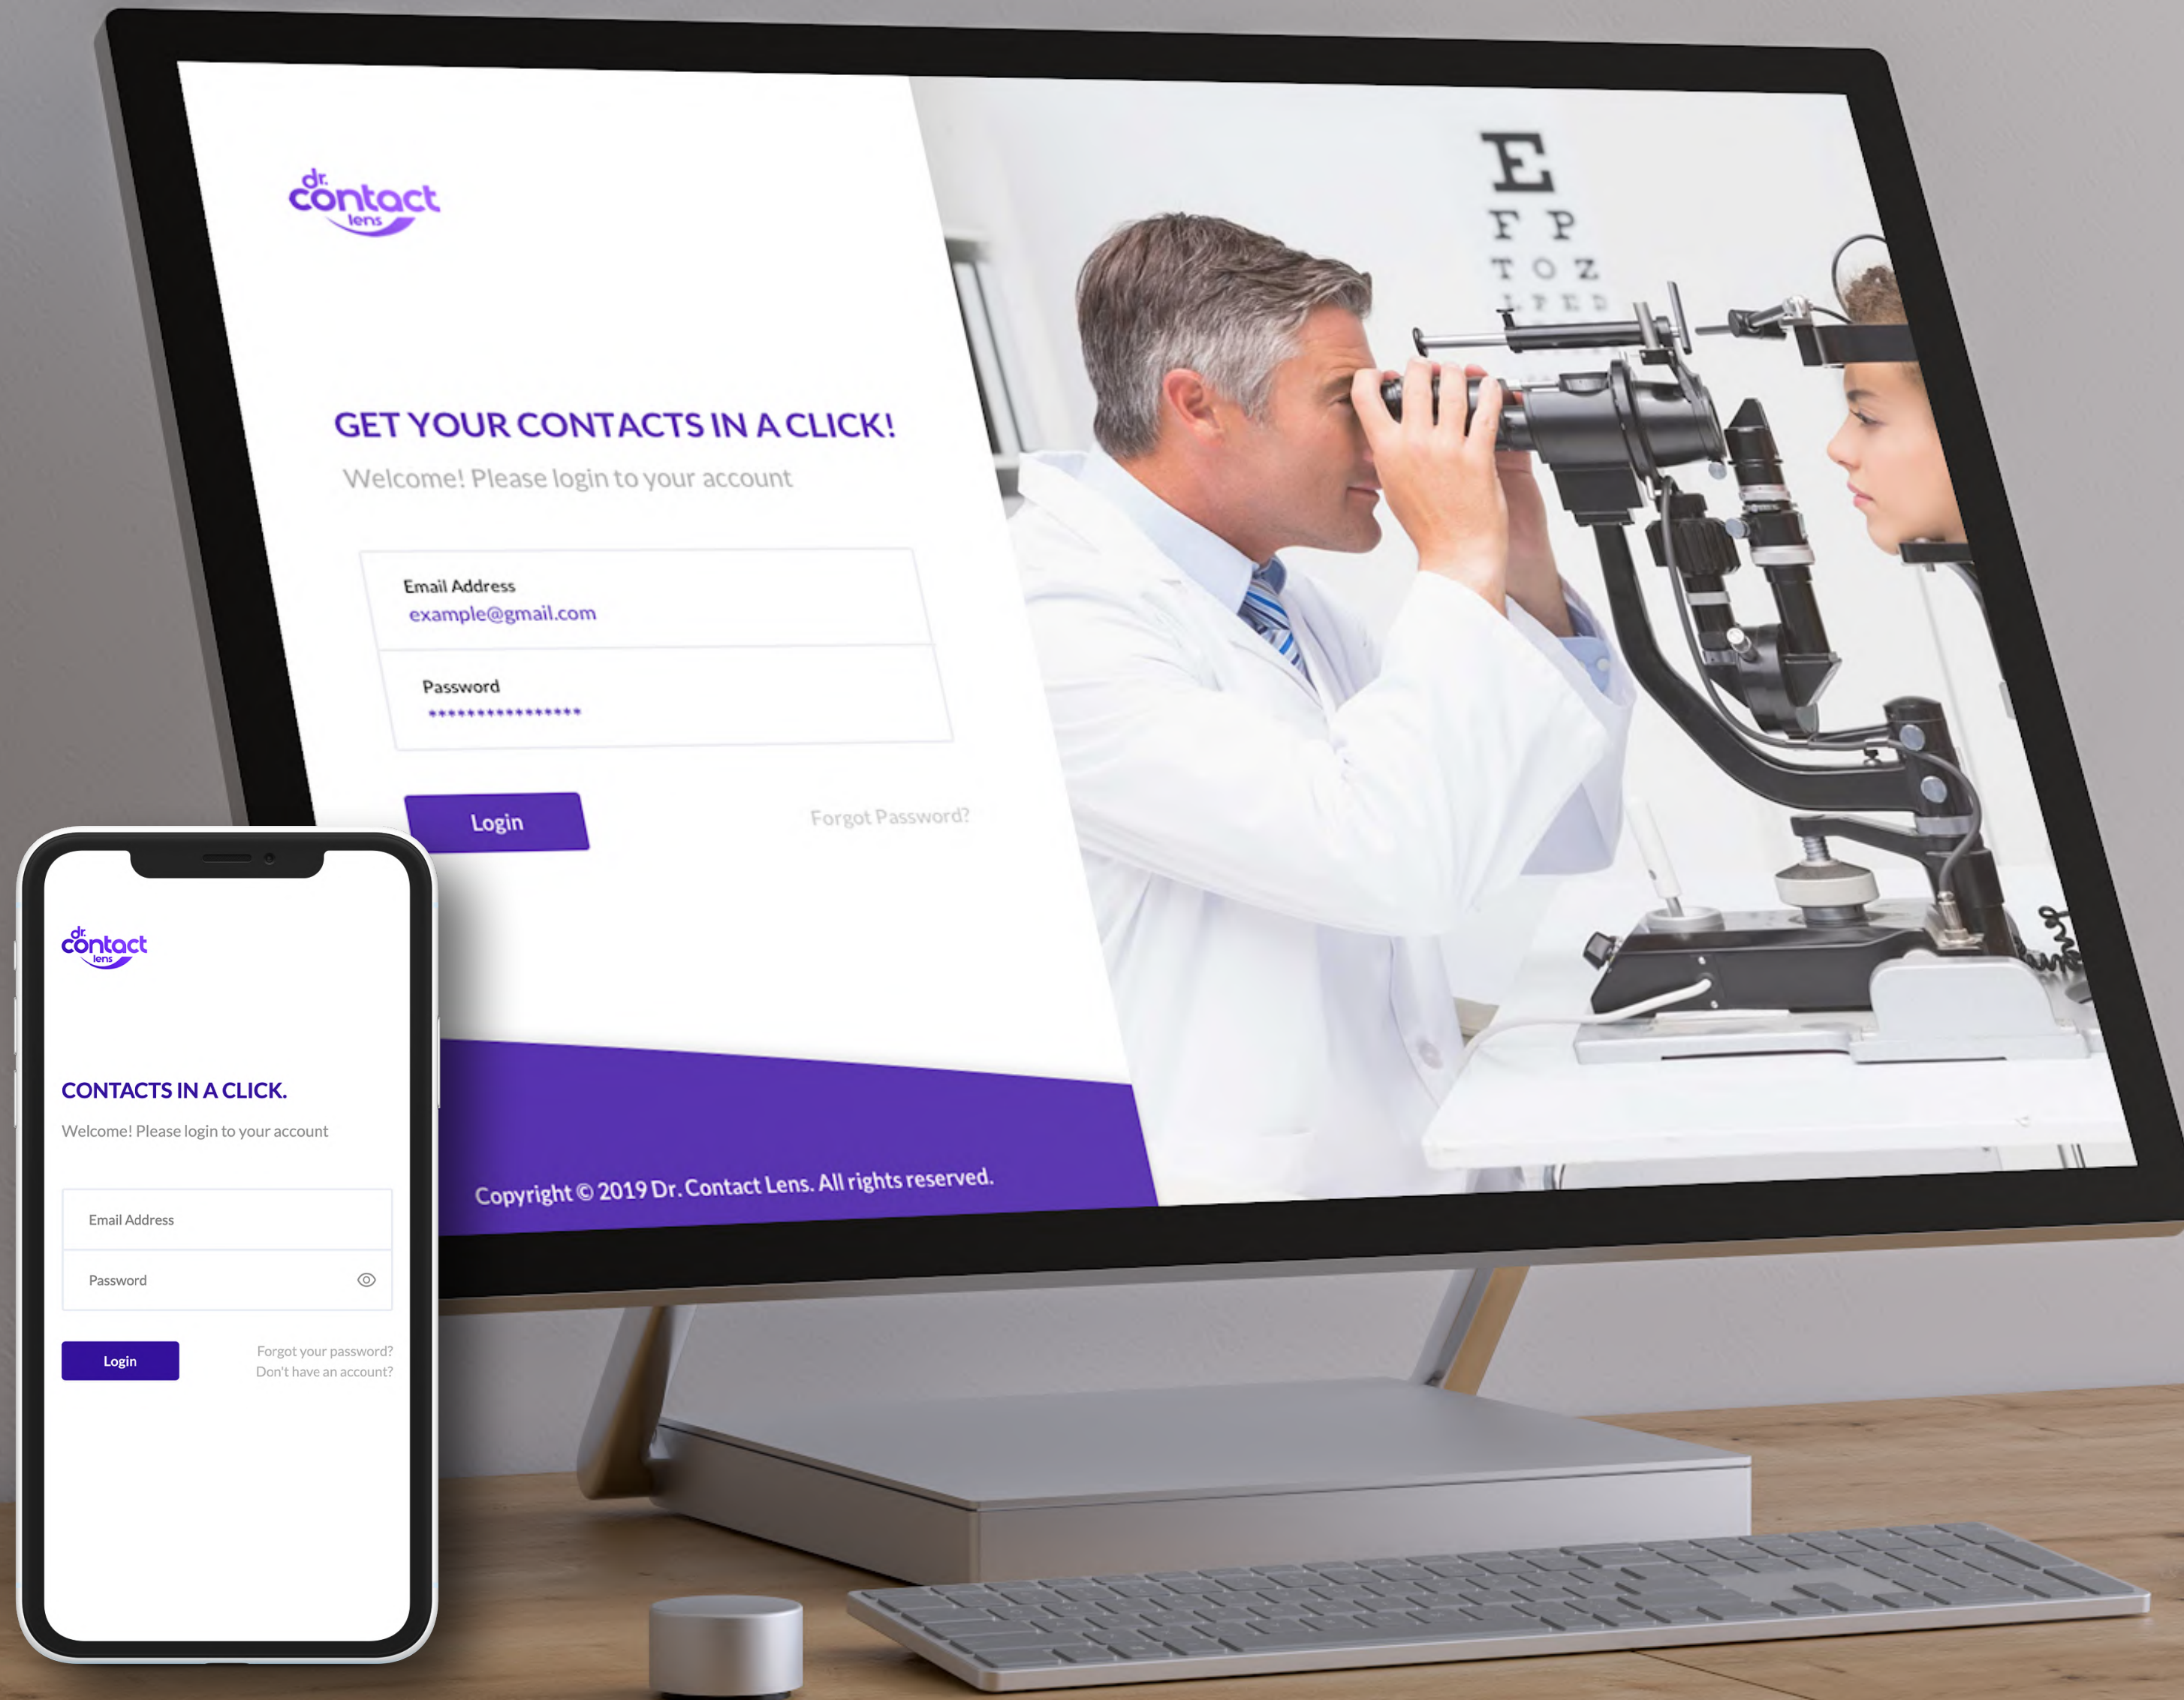

Estadísticas

- +1 año desde lanzamiento
- +100 nuevas suscripciones de especialistas
- +3,500 órdenes de compra procesadas
- +35,000 pacientes sincronizados

The image displays two overlapping screenshots of the Dr. Contact Lens website. The left screenshot shows the main landing page with a large eye image and a headline: "GET YOUR CONTACT LENS IN THE BLINK OF AN EYE." Below the headline is a sub-headline: "Dr. Contact lens is a new practice tool directly connecting patients to their doctor by allowing them to order contacts on demand." There is an "ORDER NOW >" button. Below this are four icons representing features: "One-Click to Order", "Direct EMR Integration", "Accept Insurance", and "Instant Delivery". The right screenshot shows a "SIMPLIF-EYE THE PROCESS" section with a three-step flowchart: 1. Meet with the doctor, 2. We synchronize, 3. Get your contacts in one click. Below this is a "MANAGE ALL OF YOUR EYECARE NEEDS IN ONE PLACE" section with photos of a doctor and a patient, and a "Are You Ready to Get your Contact Lens?" section with a "Write Your Email" input field and an "ORDER NOW >" button. The website footer includes the Dr. Contact Lens logo, navigation links (Home, About, Services, Contact Us, Sign Up), and a copyright notice: "Copyright © 2017 Dr. Contact Lens. All Rights Reserved."
